

Spain, Madrid  
Wednesday, Nov. 3, 2021 to Thursday, Nov. 4,  
2021

**FARMAFORUM 2021, November 3 - 4, Pavilion 10 of IFEMA, Madrid**

FabricAir España will be exhibiting at the 2021 FarmaForum in Madrid, Spain. We will be showcasing our unique solutions for medical applications and demonstrating why fabric-based air dispersion technology is ideal in the pharma industry, incl. labs, production, and storage.

Booth no.: C45 / Pavilion 10

The 7th edition of the FarmaForum will be held on November 3 - 4 at the IFEMA Feria de Madrid. This is the largest exhibition in Spain that brings together qualified professionals from the pharmaceutical, biotechnology and cosmetic industry.
