FabricAir, Inc.

FabricAir, Inc. was established in 1997 as a fully owned sales subsidiary of FabricAir A/S. We handle sales, distribution and engineering tasks relating to fabric air dispersion systems. FabricAir is headquartered in Herfølge, Denmark and employs 130 people worldwide. We were established in 1973 in connection with the launch of the world's first fabric ducting system and have grown to include sales offices in eight countries and a fully owned production facility in Alytus, Lithuania. As a company we strive to deliver the highest quality cutting edge technology within fabric air dispersion systems through attracting the best qualified people and making sure we are easy for you to do business with.
