

Exhibiting at Ajour 2017, booth no. 3336

A promotional banner for the Ajour 2017 exhibition. On the left, a red 3D-style sign reads 'SMART air SOLUTIONS'. In the top right, the FabricAir logo is accompanied by the text 'Tekstilkanaler'. The central part of the banner is black with the text 'Maskinmestrenes Erhvervs-konference' above the large red word 'Ajour' and '2017' in white. Below this, the text 'Mød os på Ajour-messen, stand nr. 3336' is written in red. The banner is decorated with technical line drawings of air ducts and components.

This week, Tommy & Naheed are ready to discuss optimal air dispersion and significant savings with air engineering technology when we're exhibiting at the annual Ajour expo in Odense. You will find them in booth 3336 on Thursday and Friday.

21st November 2017
