**Color Selection Disclaimer**

We recommend confirming your color selection using the specific color samples on our fabric specific color cards. Our color scale is based on Pantone, which is only approximately translatable into RAL colors, as the latter scale has less nuances. Once you confirm your color, we are not responsible for color matching anything except the color swatch of your choice directly from FabricAir color-cards or u-color-swatches. Nuances may vary slightly on different fabrics.
