REACTION TO FIRE CLASSIFICATION REPORTS N° 030.0DC0050/14

CLASSIFICATION ON BEHALF OF

FabricAir A/S

Sandvadsvej 2 - DK-4600 Køge - Denmark

TRADE NAME OF THE MATERIAL

FabricAir® Combi 85™

(Nom. Weight: 290 g/m²)

DESCRIPTION OF THE MATERIAL

Fabric designed specifically for Air Dispersion and Fabric Ducting Systems

TEST METHODS

UNI EN ISO 11925-2: 2020 and UNI EN 13823: 2022

PRODUCT STANDARD

Not applicable

CLASSIFICATION STANDARD

UNI EN 13501-1: 2019

Fire classification of construction products and building elements -
Part 1: Classification using test data from reaction to fire tests

CLASSIFICATION

B - s1, d0

The above reported classification is valid for all colours and for the mounting and fixing as described in the relevant Test Reports.

The Laboratory has not been involved in any sampling activity.

Note: the present Rev.2 is the renew of the Classification Assessment (ACL/030-B/14/CPR/--- Rev.1 issued on 28/02/2019), effected on demand of the Sponsor. The Sponsor declared that the production process and the composition have not changed, the results were confirmed with the orientative test related to the **FabricAir® Combi 85™** (Nom. Weight: 290 g/m²) material with Ref. Lab. no. 116/24.

The Laboratory holds on file all the relevant declarations and data sheets submitted by the Sponsor on support of this renewal.

Prato, 14/02/2024

Valid until: 04/02/2029

The Certification Manager

David Borsini

The Director of the Laboratory

Luca Ermini

Note: this document will lose validity as a result of any changes regarding the components of the materials, the trade name, the data of the Sponsor, mode and/or place of production, regulation updates, and so on. It will be care of the Applicant to require an update of the document. Please note that if not explicitly stated in the Product Standard to which the tests relate the Test Reports do not expire. The Laboratory may request at the renewal of the Attestation a verification to confirm the results obtained.

This document has to be read in conjunction with the Test Reports, for the description of the product and for every other detail. This document does not represent type approval or certification of the product neither declaration of compliance, that is exclusively under the responsibility of the Manufacturer or Sponsor.
